# TEAM TRAININGS

IN-PERSON

The MPCA Quality Data Initiative is focused on team-based care and best practices around diabetes and other chronic disease outcomes. Community health centers are required to complete monthly data reporting and send two to four team members to three in-person trainings.

# EMERGING LEADERS

The MPCA Emerging Leaders Program is an 8-month program that assembles a select cohort of emerging Community Health Center leaders from across MPCA member organizations and guides them through a high-level, relevant, and applied curriculum. Contact Tara Callaghan (TCallaghan@mtmca.org) for more information.
